Citizen Participation

Mr. Kenneth Kersey said that as the refuse collection bid is on the agenda he wanted to let the Council know that he is not happy with the City's present refuse collection carrier. He said that at one time the collection truck parked across 2 handicap spaces and would not move and the driver was rude to him. His daughter has had trouble with them throwing garbage cans and breaking them and he has heard others have the same complaint. Mayor Fox said that anytime Mr. VanWheeldon has been contacted with complaints, he has taken care of them. Councilperson Smith said that he would talk with Mr. VanWheeldon to see how he is handling these kinds of complaints but was sure that if he knew, his employee(s) would be reprimanded.

Request to Advertise for Refuse Collection Contract

A motion was made by Councilperson Smith seconded by Councilperson Mann to advertise for refuse collection contract bids without clean-up. Roll call vote: all aye.

A motion was made by Councilperson Oilar seconded by Councilperson Clawson to approve the Relay for Life team request to solicit donations on May 13, 2006 from 10am until 2pm at the designated intersections.
